PROFESSIONAL SUMMARY

Detail-oriented and results-driven Quality Assurance Tester with experience in software testing, quality assurance processes, and defect management. Skilled in creating and executing test cases, identifying and documenting software defects, performing functional, regression and collaborating with cross-functional teams to ensure the delivery of high-quality software products. Proficient in test management and bug-tracking tools, with a strong understanding of the software development life cycle (SDLC) and Agile methodologies. Committed to improving product reliability, enhancing user experience, and maintaining quality standards through thorough testing and continuous process improvement. Seeking to leverage technical expertise, analytical problem-solving abilities, and attention to detail to contribute to the success of a dynamic organization's quality assurance team.

WORK EXPERIENCE

OJT/Intern - Quality Assurance Cerenimbus Inc. | 01/2025 - 04/2025

- Created APIs using PHP to enable the application's features.
- Experienced in actively testing the project.
- Creating detailed test cases helps developers identify and understand errors in the project, ensuring they can effectively address and resolve issues.
- Collaborate closely with the development team to improve the user interface and features of the project.

Quality Assurance Tester

Forty Degrees Celsius Inc. | 08/2025 - PRESENT

- Designed comprehensive test cases based on business and functional requirements to ensure application quality and coverage.
- Executed test cases to validate application functionality, usability, and performance, while identifying and documenting defects for resolution.
- Experienced in actively (Manual) testing the project.
- Documented discovered bugs and escalated them to the development team.
- Utilized Playwright for basic automation testing, including test script creation, execution, and result validation.
- Utilized JIRA to document, track, and manage software defects by creating detailed bug reports, including reproduction steps, expected and actual results, screenshots, and severity assessments.

EXTRACURRICULAR ACTIVITIES

UCLM Beach Volleyball Team — Player

University of Cebu Lapu-Lapu and Mandaue | SY 2023-2024

- Represented the school in intercollegiate competition

UCLM Indoor Volleyball Team — Player

University of Cebu Lapu-Lapu and Mandaue | SY 2022-2023

- Represented the school in intercollegiate competition

EDUCATION

Bachelor of Science Information Technology

University of Cebu Lapu-Lapu and Mandaue

Senior High School

University of Cebu Lapu-Lapu and Mandaue

Junior High School

Babag National High School

Elementary School

Lapu-Lapu City Central Elementary School

SKILLS

- **Skills:**

- Testing Tool:**

- Playwright
 - Selenium
 - Postman

- Programming:**

- C#
 - ReactJS
 - HTML
 - CSS
 - PHP
 - Javascript

- Software Tester:**

- Web and Mobile

- Google Workspace Proficiency**

- Spreadsheet - Test Case Creation
 - Docx - Specifications

- Microsoft Office proficiency**

- Word
 - Excel
 - PowerPoint

- Database**

- PHPMyAdmin
 - MySQL

- Defect Tracking & Management**

- JIRA

- AI & Productivity Tools**

- Gemini
 - ChatGPT
 - ClaudeAI
 - Cline
 - Git
 - Github

- Testing Methodologies**

- Functional Testing
 - Regression Testing
 - Integration Testing
 - Exploratory Testing
 - User Acceptance Testing
